

Welcome Back!

We're happy to see you in person.

Effective Monday, June 29, all branch lobbies will be open for in-person transactions.

We do, however, encourage you to continue using our Drive-Up Windows, ATMs, Night Depository, Online Banking, Mobile Banking, and Mobile Deposit whenever possible. Appointments for in-bank transactions are encouraged and can be made by calling your local branch office.

KNOW WHAT TO EXPECT WHEN YOU VISIT US

- Face masks are required for employees and customers
 - For security reasons, we may request valid identification and you may be asked to remove your mask/hat/sunglasses in view of the camera
- A greeter will be present
 - You may be required to answer health screening questions and have your temperature taken
 - We reserve the right to Refuse Service if you exhibit symptoms of COVID-19, or do not feel well. If you live with a sick family member, we ask you NOT to visit us in person and – instead – conduct your banking using self-service options.
- Only customers requiring service will be allowed to enter our lobbies
- For your safety, the number of customers allowed in the bank at once has been pre-determined by branch location
- You may be asked to wait in your vehicle for entry into the lobby
 - Upon completion of your transaction, please exit the branch to allow other customers to enter the building
- Customers must maintain social distancing procedures at all times, remaining a minimum of 6' away from the nearest person
- Barriers have been installed at each teller station and at customer service desks
- All branches are following CDC guidelines on disinfecting/cleaning
- Special needs/high-risk individuals should contact their local branch to schedule an appointment for in-bank transactions
- **Our Restrooms are NOT available for public use**
